Painted to order, at 20 to 30% off retail.

See paints to order at 20% to 30% off retail, and sends
photographs of every finished piece before it leaves the
studio.

THE JAPANESE BRIDGE (THE WATER-LILY POND) · AFTER CLAUDE MONET · HAND-PAINTED OIL ON CANVAS

Louie Drehmer grew up surrounded by art — his mother is an expert painter, and he spent his childhood watching her work, learning to see the world through brushstrokes and color. Years later, during an art residency in a remote village of painters, everything clicked: local masters who had each spent a lifetime perfecting one style. One had dedicated forty years to Impressionist landscapes. Another knew Baroque shadow and light like nobody else.

Most reproduction companies treat art like a production line — an order comes in, it goes to whoever is available. A Van Gogh lands with a portrait specialist; the painting comes out fine technically, but the feeling is gone.

"You can't ask a portrait specialist to capture Impressionist light. You can't expect someone trained in photorealism to understand Abstract Expressionist gesture. Each style has its own language."

So Art & See does it differently. Every commission is matched to an artist who specializes in that exact style — a Monet only goes to an Impressionist, a Caravaggio only to someone who lives and breathes Baroque. No exceptions.

We send the invoice with your quote, and Joey walks you through it. With a resale certificate, sales tax is removed. Net-30 available after two completed orders.

4 • Delivery

Canvases ship rolled and insured, worldwide, in 3–10 days. Stretching, framing, and freight for oversized orders quoted per project.
