GARDEN AT SAINTE-ADRESSE · AFTER CLAUDE MONET · HAND-PAINTED OIL ON CANVAS

Why Art & See exists

Louie Drehmer grew up surrounded by art — his mother is an expert painter, and he spent his childhood watching her work, learning to see the world through brushstrokes and color. Years later, during an art residency in a remote village of painters, everything clicked: local masters who had each spent a lifetime perfecting one style. One had dedicated forty years to Impressionist landscapes. Another knew Baroque shadow and light like nobody else.

Most reproduction companies treat art like a production line — an order comes in, it goes to whoever is available. A Van Gogh lands with a portrait specialist; the painting comes out fine technically, but the feeling is gone.

> "You can't ask a portrait specialist to capture Impressionist light. You can't expect someone trained in photorealism to understand Abstract Expressionist gesture. Each style has its own language."

So Art & See does it differently. Every commission is matched to an artist who specializes in that exact style — a Monet only goes to an Impressionist, a Caravaggio only to someone who lives and breathes Baroque. No exceptions.

1 · Tell us what you need

No account, no forms — email info@art-and-see.com with the works, sizes, and a frame by name if you want one (work codes help, but a photo or a description is enough). Joey Wong (MA, Art History) replies with one consolidated quote within 24 hours.

2 · Deposit starts production

Production starts on a 50% deposit by bank transfer — SWIFT internationally, ACH or Fedwire in the US, the standard in the art and furniture trade. We send the invoice with your quote, and Joey walks you through it. With a resale certificate, sales tax is removed. Net-30 available after two completed orders.

3 · Photo approval

When your painting is finished we send high-resolution photographs for sign-off. Adjustments at this stage are free. Balance due on approval.

4 · Delivery

Canvases ship rolled and insured, worldwide, in 3–10 days. Stretching, framing, and freight for oversized orders quoted per project.
